

Product Q&A Submission Form

As part of an ongoing effort to provide our readers enhanced editorial product coverage, **Interiors & Sources** is openly accepting submissions for a new department titled, “**Product Q&A.**” This editorial feature introduces readers to new products through an entertaining, yet informative format where a product ‘responds’ to questions about its personality and characteristics.

If you would like the editorial staff of **I&S** to consider one of your products for the **Product Q&A** feature, simply fill out following questionnaire (please answer at least 10) and then follow the instructions at the bottom of the document.

Regional Sales Manager | Northeast
